**The registration for rental boats closes on June 01, 2016! For requests after this deadline, we cannot guarantee availability of boats.**

#### b) FISA Rules of Racing

The races shall be rowed according the FISA Rules of Racing and related bye-laws. A rower may compete if he/she attains the age of 27 in 2016.

The coxswain's weight is 50kg. A coxswain has to employ deadweight to compensate for an underweight condition to a maximum of 10 kg. Coxswains will weigh-in once for the whole regatta 1 hour before their first race at the latest.

Within an age category, a sorting by the year of birth is applied equivalent to the World Masters Regatta. The sorting by year of birth will be done at the draw considering all valid entries by the time of the draw. The sorting within an age category will be done backwards from the oldest to the youngest participant. Late entries that will come in after the draw will row in the heat with the youngest participants, not considering their year of birth. If scratches occur, the regatta committee reserves the right to depart from that rule.

**Weigh-in:**

July 29, 2016 7am to 8am  
July 29, 2016 5pm to 7pm  
July 30, 2016 7am to 8am  
July 30, 2016 6pm to 7pm for Mixed races

A coxswain may be of either gender. Age categories do not apply to coxswains of Masters crews.

Mixed crews are crews where half of the crew excluding the coxswain shall be women and half shall be men.

**Age categories**

A = minimum age 27 years	G = average age 65 years
B = average age 36 years	H = average age 70 years
C = average age 43 years	I = average age 75 years
D = average age 50 years	J = average age 80 years
E = average age 55 years	K = average age 85 years
F = average age 60 years	

**Proof of age**

Each regatta participant must be able to proof his/her age by presentation of an official photo ID (passport, ID card, driver's license). At the regatta office, you will be able to obtain an accreditation in the form of a wristband, to avoid the necessity of carrying the photo ID. Spot checks will be conducted nevertheless to compare wristbands and photo ID.

**Munich Masters Trophy**

Races 300 to 310 marked with an \* will be assigned to the six fastest participants of the following races 102, 214, 111, 241, 124, 250, and 202 for the men and 116, 143, 104, and 235 for the women on Saturday, July 30, 2016 at 7pm (CET). Starting in multiple age categories is not permitted. If a participant will be considered the fastest rower in multiple age categories, the rower will row in his/her actual age category and the second fastest rower will row instead. There is no entry fee to be paid for the races of the Munich Masters Trophy. The victory ceremony of the Munich Masters Trophy will take place collectively following the races on Sunday, July 31, 2016.

**Clothing**

Members of the same crew shall compete wearing uniform clothing.  
The regulation regarding uniform clothing does not apply for mixed crews on Sunday.

**Race divisions**

When the number of entries in an event exceeds the number of available racing lanes, the entry will be divided into two or more finals. If an event's age category has one entry only, this crew shall start in the next lower age category.

**Awards**

Medals will be awarded to the winners of each final. A separate classification will take place and prizes will be awarded for each age category, even when the race is held together with other age groups in a combined final. This applies to both men's and women's events. The winners of the races of the Munich Masters Trophy will receive a special award.

### **Anti-Doping**

Please note that doping tests are also possible at Masters regattas.

A required medication has to be attested together with the relevant diagnoses and the agents applied – insofar as they are not banned, but notifiable by anti-doping regulations – by the attending doctor. A copy of the attestation shall be deposited **before** the competition in a sealed envelope at the regatta office. The envelope will only be opened in the presence of the rower and shall be collected upon completion of the regatta.

### **Health**

Each competitor shall be responsible for his or her own health and fitness.
